

July 27, 2016

Dear Fellow Members and Friends of First Unitarian Church,

As you know, Rev. Dawn has taken a new position in the Southern Region of the UUA and will no longer serve as our minister as of October 23, 2016. We will greatly miss her presence and talents.

With any church transition, of course, there will be challenges, but the Board of Trustees has been working to make this transition as smooth as possible. We have already contacted our MidAmerica Regional Staff and the UUA Transitional Team. The Board of Trustees will be discussing our options for the transition over the next several weeks, and will be forming congregational teams to participate in this process.

We strongly believe that this transition can be a positive opportunity for reflection for our congregation.

In the meantime, the Board welcomes your comments, questions, or suggestions.

Sincerely,

Board President
